

APPROVED SUPPLIERS

We have worked hard to find the best suppliers in London to work with you on your event. They've all undergone a detailed tendering process and completely comply with Roundhouse specifications, so it is compulsory that you use one of these companies for these aspects of your event. Our approved suppliers cover a wide range of styles and budgets. If you would like any help in choosing your suppliers, please contact your Events Manager who will be more than happy to point you in the right direction.
