

ROUNDTIME EVENTS

HIRE THE ROUNDHOUSE

From Victorian beginnings as a steam-engine repair shed, to legendary cultural venue, the Roundhouse is steeped in history.

Having hosted performances from Jimi Hendrix, The Doors and Pink Floyd during the 60s and 70s, the Roundhouse re-opened in 2006 following a £30m refurbishment. Performances from Lady Gaga, Justin Timberlake, Paul McCartney and Jay-Z have re-established the Roundhouse as one of London's most iconic music venues and performance spaces.

The Roundhouse is also available for private and corporate hire offering over 2500sqm of event space. Whether you are planning a dinner, drinks reception or awards ceremony the Roundhouse is the perfect venue to create the ultimate event.

Did you know that the Roundhouse is a registered charity?

All income generated from corporate and private events at the Roundhouse funds the Roundhouse Trust, an in-house charity that provides 'space to create' for 11 to 25 year olds, particularly those who have been excluded, marginalised or disadvantaged by society. Your hire fee enables young people to find pathways back into education, work or simply to enjoy a wider cultural life.
