ROUNDHOUSE

WHY

HIRE THE ROUNDHOUSE?

From Victorian beginnings as a steam-engine repair shed, to legendary cultural venue, the Roundhouse is steeped in history.

Having hosted performances from Jimi Hendrix, The Doors and Pink Floyd during the 60s and 70s, the Roundhouse re-opened in 2006 following a £30m refurbishment. Performances from Britney Spears, Radiohead, Pharrell Williams and The Chemical Brothers have re-established the Roundhouse as one of London's most iconic music venues and performance spaces. We're available for private and corporate hire offering over 2500sqm of event space. Whether you are planning a dinner, drinks reception or awards ceremony the Roundhouse is the perfect venue to create the ultimate event.
