

Taking place on Saturday 18 June 2022, the Round The Houses Challenge is a 36-mile walk to raise funds for Roundhouse's employability and creative programmes for young people.

You can set your own route, wherever you want to take on the challenge and if you'd like to complete the challenge as part of a team, you can. Your team can either complete the challenge together or in multiple locations, breaking up the distance. As long as you all complete 36 miles in total.

By taking on the Round The Houses, not only will you be completing an incredible personal challenge, at the same time, you'll make a real difference to the lives of young people affected by the impact of Covid-19.

Still need convincing? Here's what Kerry Kolade, a Round the Houses 2021 Challenger had to say:

Initially we thought 36 miles sounded easy, then the doubts set in the closer we got to the Big Day - but our 36 mile Round The Houses 2021 challenge turned out to be brilliantly exhilarating! Walking in the Sussex countryside from our back door, around and home again, supported by wonderful family and friends, sausage rolls and flapjacks was surprisingly fun and gave us such a sense of achievement in the end. What an amazing way to fundraise!

Have specific questions you'd like help with, please [email us](#). and we'll be happy to help.

Up for the challenge? Complete our [Participant Sign Up](#) form and our team will be in touch to confirm your submission and share all the details you'll need to start training and fundraising.

Thank you for your support.
